DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Patrea Pabst on 6/27/2005.

The application has been amended as follows:

IN THE CLAIMS:

Claim 4, delete, "claim 8" and insert, ---claim 1---.

The following is an examiner's statement of reasons for allowance: the application is being allowed as per the board of appeals decision mailed 1/31/2005. The

search of the full breadth of claim 1 was extended beyond just cancer being treated to encompass the other species encompassed by claim 1, i.e. the species in claim 8 and no art could be found. Thus, since there is no art tying the use of chondroitinase to treat angiogenesis then the claimed subject matter is allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael V. Meller whose telephone number is 571-272-0967. The examiner can normally be reached on Monday thru Thursday: 9:30am-6:00pm.
